

It's ok,  
they're  
just for  
show.

You're not  
taking off  
the glasses,  
Ri-chan?

Hey,  
hands  
off my  
stuff!

Oh look, a  
sunscreen!  
Lemme  
borrow.

She's a  
skeleton,  
eyes are  
also just  
for show.

But it's  
dangerous  
for the  
eyes.

Aah!

Eeh~ well,  
if you play  
together  
with us, I'll  
return it.

Give it  
ba-ack!

Oh,  
come  
on!

Ri-chan's  
chest has  
become  
huge!

Wha...  
Hey...!

Don't be  
so stingy,  
I'll spread  
it on you  
as well.

So, why  
is she  
crying?

That's also  
just for  
show.

I hate  
summer.

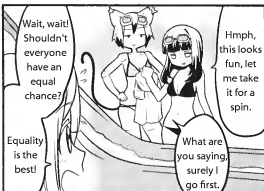

Waaaaah,  
I'm flooded  
by boobs-

With  
the flag  
between  
my boobs.

This got  
weird  
real fast.

Let's  
play  
Beach  
Flag.

You *did* make a nagashi-somen noodles setup like I asked, right?

What was this, hm?

Eh!?

Look, there it is!

Of course I prepared everything?

Eeh!?

they pour down dolls in nagashi-somen~?

Hm, so it seems... But, I didn't know...

I'm sorry! Forgive me!!!

T-that's not it! It's just I was a little distracted when I was making it...

Well, alright.

Got it... Well, then this improvised Himeri dummy is going to ride first.

Really!?

Looks like the dummy also enjoys this.

Alright, let's go, dummy!

Ooh! Unexpectedly fast!

Amazing! Looks like the dummy became one with the wind!

Ooh, it took off—!!

The dummy became the wind... and then,

Dum-my-y-y-y!

in a flash, became dust.
